Re: Pearl Bahmer.

Called at office of Dr. F. M. Hoffman, 91 Bayard St. relative to possible whereabouts and present address of P. B.

Said he has slight recollection of service rendered in July or August, 1922, but has never personally seen or heard from P. B. since the incident.

Could give me no information or offer suggestion as to how she might be located.

Respectfully submitted,

Thomas L. Harrison.
